A Girl Named Sarah

👁 32 ✓ 2 ★ 4

Chapter 1 by Elisabeth Ford

As she was dying she thought to her self.

A bullet to the heart was not the way she wanted to go, but things don't always go as planned.

She thought she had everything going for her. She was going to college and had a boyfriend.

Then he came.

The one they called Alec.

She met him at the college.

They spent days together, and even fell in love.

But then he turned on her, he started to abuse her, and even did unspeakable things to her.

Then one day she finally had enough she fought back.

That is when she made her mistake.

He shot her without a second thought.

Chapter 2 by SaintSayaka

The boy was long gone come the rise of the moon. The girl was not. Her body was cold and stiff, staring blankly at the ceiling. It would be twelve hours until police found her, after a particularly good hint from a worried dorm mate.

But for now, eternal sleep.
